EDITORIAL

The nation's uniting in a fervour of anticipation as the Big Day approaches, with street protests and all sorts planned to disrupt the general hum of life. No, I'm not talking about the publication of the latest issue of Club (for once)=, but the spookily dated deadline for our departure from the EU, of course! Still, perhaps not everyone's actually all that bothered about the whole thing, so we'll promise not to mention it again throughout the entire issue. What we will mention, though, is all the horny babes we've got lined up again this month. Brits, Americans and Euro Babes are all gathered here under one title to bring you a hardy celebration of all things spunk worthy. So if you'd like to get caught up in the latest BBC development, then go ahead and be our guest, but speaking personally I'd far rather spend my time looking at this sort of thing!

Dear Club,

The most incredible orgasm I ever had, came on a Virgin Train one rainy afternoon on a boring journey up North. I don't know if it's because the whole thing was so unexpected, but I swear I came so hard I thought my balls were gonna burst.

My girlfriend is from Yorkshire, and we were on our way to visit her parents. I was nervous because it was the first time she'd invited me to meet her Mum and Dad, and I've never really been very good with the whole 'girlfriend's parents' thing. Anyway, I was just trying to keep calm and make the best of the boring train ride, when Tiffany started getting restless, complaining she was bored. She's quite a mucky bird anyway, so it wasn't much of a surprise when she started rubbing my dick through my jeans, and suggesting we have some fun to kill time.

I'm not one for the whole sex in public thing, and looking around I could swear all the other faces on the train were staring at us. I tried to dissuade her, but I'm only human and seconds later I had a huge erection. But this just seemed to spur her on. "Feel my pussy, Babe," she giggled in my ear, "you know you can't resist..."

She knows me well enough, and she knew I'd be aching to slip my hand inside her knickers and feel her hot, wet pussy. But on a busy train in the middle of the afternoon? Jesus, I was shitting myself! Especially when she forcefully shoved my hand up her skirt and pressed it hard against her fanny. Her knickers were totally soaked, and she moaned softly as I allowed my middle finger to rub gently up and down her slit. And for some reason the fear of getting caught just made my cock even harder. All I could think about was fucking Tiff senseless.

With a new sense of daring that, to be honest, was a little unlike me, I pulled the gusset on her panties to one side and slid two fingers deep into her pussy. Tiff bit her lip and shut her eyes tightly, her face all red as she tried to stifle her groans. I manoeuvred my thumb onto her clit and rubbed quickly, pumping my fingers in and out of her slippery

hole, and within seconds she was biting my shoulder, her pulsating tunnel going crazy, hidden under her jacket.

"Now I'm gonna suck your cock," she whispered. "No-one will notice if you put your coat round us."

She didn't wait for me to protest (not that I was going to!), and her lips were round my knob in seconds, sucking and licking like crazy. It felt amazing, and my balls were really tingling as she worked her head up and down

“...she started rubbing my dick through my jeans, and suggesting we have some fun to kill time.”

my shaft, nibbling and teasing. I just about jumped out of my skin when the ticket bloke approached, but Tiff just rearranged my coat and pretended to be asleep on my knee, before taking my dick back in her mouth once he'd passed by.

My balls were really churning, and I could feel myself getting close to cumming, but Tiff, the little minx, had other ideas and suddenly stopped what she was doing. "Not so quick," she said, shoving my boner back in my jeans. "Go to the toilets and I'll meet you there in a minute."

I ran to the toilet and waited, my hard dick bobbing about in time with the train's movements. Then the door opened and closed, and Tiff was simultaneously wriggling her skirt up her thighs and pulling open her top so I could suck her tits. As I sucked hard on her stiff, perky nipples, she let out a low kittenish moan that got my cock jumping again.

"You want me to fuck you then, you dirty cow?" I asked, roughly pushing her against the sink, slipping two fingers into her pussy again.

"Oh yeah," she replied, "fuck me!"

I pulled my jeans and boxers down around my ankles then positioned Tiff bent over the toilet. My cock was really throbbing hard now, so I took it in my hand and pressed it against her soaked, pink opening. Slowly I pushed into her, and I swear her cunt around

my cock has never felt so amazing. Soft and wet and tight, she gripped my dick as I pushed all the way into her, and she moaned as I slid out and then in again.

I don't know whether it was the public location

or what, but it was like nothing I'd ever experienced. Within seconds Tiff was wailing so loudly I had to put my hand over her mouth to keep the noise down. The harder and quicker I fucked her, the more intense the sensations in my dick became and the tighter her cunt squeezed. From the dirty squeals she was making, it was obvious Tiff was fucking loving it, and it made me even hornier the way she was grinding her bum against me, frigging her clit with her fingers as I thrust.

As my balls tightened, I knew I couldn't put it off any longer and thrust into her one last time, sliding as far into her as possible. And even I was astonished at the force of my explosion. My legs shook, my heart pounded and then I was blowing my load, spurt after spurt, thrusting up into her with each spasm of my dick, until finally my legs buckled and I collapsed back against the door.

We tidied ourselves up and made our way back to our seats, and from the funny looks we got from the other passengers, it was clear they knew exactly what we'd been up to. But I didn't care. It was the best fuck I've ever had, and I've never come that hard again. Though it hasn't stopped me trying!

The mere thought of being in a sauna with Eva breaks us out in a sweat, and the gorgeous woman hasn't even opened the door yet. As we make ourselves as comfortable as possible on the wooden benches, the already glowing Eva proceeds to inform us that it's customary where she comes from to do this completely naked "but you Brits are

such prudes, always covering yourselves up, every inch. No wonder you're always so pasty, you all need liberating!" This is true, we can be a little Edwardian in our outlook on public nudity, but to be honest, we're rather glad to have some protection for our growing members from Eva's gaze right now, as things really do start to heat up in the wooden box!

TOTAL RECALL

Scarlett 
CLUB INTERNATIONAL

Dear Total Recall, I remember when I was at school there was a ginger girl, her hair was copper coloured and she had a smattering of light freckles across her face. The other kids teased her, but I was fascinated by her, all through school, but as I grew older, I realised I fancied the knickers off her. And so began my life long love of redheads, which is why I remember Club Vol 32.07 so well, you featured the stunning Scarlett in a sequin dress with white knickers. Which has remained a fantasy of mine, having made a few girlfriends in the past dress up in something similar. So, it would be ball-bustlingly great to see Scarlett in print once more.

The Fight

DVD £9.99

It's not often you can find someone with mesmerising presence, sharply written wit and an eye for behind the camera detail, so when Jessica Hynes (Spaced, WA1) rolled up sleeves for her directorial debut it might come as no surprise we were all itching like a powdered ants nest, to witness something we already knew would be a step above the rest. One of British screen comedy's best-known faces ditches the laughs this time around for a gritty, gutsy and compelling look at domesticity and self-esteem. Hynes has managed to maintain an earnest air about the film that clearly translates as a labour of love. Shot in the salty air of Folkestone, Hynes stars as care worker Tina, who through the demands of her anomalous mother (Anita Dobson), three children of various ages, and with one being bullied there's a past she can't shake off. Through her supportive husband Mike (Shaun Parkes) she joins the local gym and

channels her inner stress-related violence bubbling below the surface, into the ring. Hard talking coach Cathy Tyson takes her on and teaches her to fight back and stand up for herself, but less with her gloves and more with confidence, as the boxing element stands more metaphorically, as the characters learn to stand up for themselves.

Sometimes Always Never

DVD £9.99, Blu-ray £14.99

Long ago, retired tailor Alan's favourite son left home, never to return. As Alan spent the following decades searching for him, this left Peter his other son to conclude he was always second best. The fact that Alan's missing son stormed out over a game of scrabble became an obsession for Alan, leading him to become a master player able to hustle poor B&B owners played by Tim McInnerny and Jenny Agutter out of their hard-earned cash. But as he now spends time with his other grown-up son Peter, it is evident that he is a master of words, but useless at deploying them to effect, as the gulf between father and remaining son seems bridgeless. This a film full of wit, flair and British competence, a sheer pleasure to watch.

Der Pass

DVD £24.99

A trafficker is found dead with his paws wrapped around a horses tail, one half of his body in Germany and the other half in Austria. Which country does it fall to investigate in this instance (yes, yes, we hear you The Bridge, The Tunnell), so that's both countries then. Austrian detective Gedeon Winter (Nicholas Ofczarek) seems relatively unsuitable for the task as he ploughs through the booze, and sweats like a man with diabetes even in the cold. His German Ellie Stocker (Julia Jentsch) colleague appointed to the task is just as perplexed judging by her stares, though we guess it may have something to do with "what happened in Vienna". Still, it's an interesting ride along a mountain murder path as gangs go at each other eye for an eye.

For the last few years, Chloe Toy is the girl who's wowed us with her innocent looks and filthy mind. So we invited the 25-year-old back to tell us more about what she really likes – watching men wank (which is just as well, because if Chloe could see what most of us are up to at this very moment, she'd be overjoyed!).

"Men and masturbation go together like bread and butter," says the Essex sexpot, "If men couldn't wank they wouldn't know what to do with their hands! It's so sexy seeing his cock get bigger and fatter. And it's even better to suddenly open my legs and give him a flash of pussy to make him come all over me!"

Nerf Mega Mastodon

www.amazon.co.uk

Want to feel like the Terminator when playing shoot-out with your kids? Then this is the Nerf gun for you; even the name sounds high functioning, Mega Mastodon...

Anyway, once I had one of these harden battle monsters in my hands and was able to look it over, I soon saw the attraction. This beast has a surprisingly realistic rotating drum which holds a whopping

24 Nerf darts and fires off in a semi-automatic fashion, the first motorised Blaster, so we are told. However this does mean you get through a round pretty quickly as they ping off left, right and centre, also making them tricky to find. The gun also feels quite heavy and needs to be fed 6 x D batteries, but it has a sturdy strap to help you cope, and, what the hell, it's bloody good fun!

Storm Glass

www.prezzybox.com

Back in the days of old, when a stiff collar, a stiff moustache, and stiff upper lip to perch it on were the order of the day, knowing what the weather was going to throw at you was of gentlemanly concern, so houses often had a barometer. Of course, nowadays there's an app for that, but there's something soothing about a set of hands pointing to snow, wind or rain, or the possibility of all three at the same time. Now if you're not into antiques, then this Storm Glass is sure to make a statement in any modern home. The simple system developed by Admiral Fitzroy of HMS Beagle works using crystals to determine the temperature and air pressure, which will cluster or disperse with atmospheric temperature changes. These changes are all readable through the labelling on the glass. Stylish, useful and interesting, need I say more?

BioLite Basecamp

www.addnature.co.uk

The great outdoors, sold to us as an adventure in nature and getting back to our roots. But, really we all know it's a hazardous affair, often rife with mishaps (yes, that is our tent taking off down the hill, darling). However, Club has discovered cooking doesn't have to be one of them. Enter the BioLite Basecamp as self-contained wood burning stove, offering you all the joys of campfire cooking without the unpredictability of a firepit. All you have to do is load in your wood, set some kindling and light a match. Now for the nifty bit, slapped on the side is a powerpack that capture surplus energy from the fire and transforms it into power for electrical items with a USB port, so you can still watch Netflix's under the stars!

23-year-old Clea has recently left her home to seek her fortune in the capital. "I just got bored," says the delectable brunette, "so one Friday night after a particularly crap week I headed over here."

As she sits sipping a cappuccino in a cafe in Old Compton Street Soho, it seems only sensible to enquire what she thinks of English

men. "You know what?" she smiles as she gazes wistfully out of the window, "I've been here two months, and in that time I've been so busy finding a flat and a job that I haven't had time for a fella. Now I think about it, this is probably the longest I've gone without a shag since I started at 16 – wow!"

I think a night on the tiles is called for here!

SCRUFF JUSTICE!

Please be upstanding!

AN AXEL BRAUN PARODY

Deadpool XXX

Wicked

Starring: Jennifer White, Ana Foxxx, Seth Gamble, Romi Rain, Ramon Nomar, Jessica Drake, Tommy Gunn, Nikki Delano, and Brad Armstrong.

Synopsis: "Time to make the chimichangas! The merc with the mouth finally gets his own porn parody, thanks to legendary Director Axel Braun and Wicked Comix, and while this movie doesn't have Ryan Reynolds, it does have ridiculously hot chicks, a buttload of sex, and tons of epic boobs! Starring Seth Gamble in a hilarious, Award-Worthy turn as the regenerating degenerate, Wicked girl Jessica Drake as Lady Deadpool, Romi Rain as Elektra, plus The Punisher, Wolverine and not one but two Domino's! Deadpool XXX: An Axel Braun Parody may not be the parody you knew you needed, but it sure as

fuck is the one you deserve!"
Courtesy of Wicked

Verdict: Just as foul-mouthed as the mainstream movie, but definitely filthier in every other respect, this latest parody from the master of the XXX Axel Braun cleared up at the AVN's with Best Parody and Best Comedy. With Seth Gamble donning the latex and Jessica Drake as the female version, things are likely to get sticky, especially with all that cream flying around. A great scene between Drake and Tommy Gunn as Wolverine, as he impales her on his powerful muscle and she

gobbles down his beast as he pops his load on her tongue. The original movie lends itself perfectly to a porno spoof, and with Deadpool II out, I'm hoping for a second helping!

Russian Hackers

Private

Starring: Mila Milan, Nicole Black, Elena Vega, Stacy Cruz.

Synopsis: "Can one man topple an entire government? Can one man alone jeopardise the safety of millions? In Private Gold, Russian Hackers it sure seems that way, the police are concerned, and that's why they've put together a super team of girls ready to the exploit the one weakness of their most wanted criminal hacker, Alexei. Watch team leader Mila Milan lead the talented and extremely sexy taskforce of Nicole Black, Elana Vega and Stacy Cruz on a chase to do what's ever necessary to catch him. Alexei is smart, but he's a man all the same, and there's no way he will be able to resist these girls. So strap

new girls and a whole lot of sex in in and get ready for an exhilarating manhunt, with four new girls and a whole lot of sex in Private Gold, Russian Hackers." *Courtesy of Private.*

Verdict: Very on topic, the latest from Private Gold sees one computer wizard attempting to bring down an entire political system, so the concerned Police have brought together some hot totty to lure the poor gentleman into a trap, and of course it works. The Agents waste no time in tracking down Lutroo's hideout, and by the pool Elena receives a facial and Mila's tit's get a sloshing! There's also a cracking threesome as an interrogation turns hot and sexy, with sloppy blowjobs and anal action getting her out of her scrap with the law. If only real life worked like this eh?

One of the best things about working at Club Towers is that we occasionally get a visit from some of the girls in the mag. And so it was that the very lovely Elle turned up one lunchtime last week to

check out her photos. So pleased was she with her shots that she even offered to take us to our local for a pint. Verily there was much rejoicing – a gorgeous girl who is happy to show us all her perfect pussy and buy us beer!

An afternoon of ale and politely refused marriage proposals ensued. And Elle's still keen to come back again, there might even be time for an impromptu drink if we have anything to do with it. What a fine girl she is!

Club connoisseurs amongst you will recognise the gorgeous American based Kayden Kross, who we managed to get on the blower recently and she had some very interesting thoughts on a good blowie.

"I pull his shorts down, massage his balls with my hand and suck his dick like I mean it."

Like you mean it?
"Yeah, guys are always complaining that girls kinda mess around for a while and then give up. I come from the school of thought that says if you go down on a guy, you do it to make him come. There's nothing like the feeling when you've got this cock in your mouth, and you know the guy's about to explode."

I think we need to book a flight out to test this school of thought!

ROLE AROUND IN BED

I've been trying to make it as an actress for the last four years and I am totally committed to it as an art form. I've played a variety of parts in that time and I always research my roles thoroughly. So when I was cast as a lesbian in a play, I decided to sleep with another woman as part of my preparation.

It sounds a bit extreme, I know, but I wanted to make sure I was comfortable with another girl before it came to the love scene. So, one evening, I checked the listings for lesbian bars and visited one. I was surprisingly nervous when I entered and tried not to catch anyone's eye at first. The waitress took my order and brought me back a couple of large vodkas, which I made very short work of. I'd expected to be hit on the moment I sat down, but after an hour of non-interest it dawned on me that it was as much up to me to make the first move as it was for anyone else. I spied a group of girls and decided to introduce myself.

"Hi, do you mind if I join you?" I asked. The girls, April, Liz and Bobbi, invited me to sit down, so I did and tried to make small talk.

"This your first time?" April asked, and I admitted it was. "Hoping to get lucky tonight?" she asked, putting a hand on my thigh. I flinched when she touched me but let her keep it where it was.

"Ah, she's all nervous," Liz cooed, and the

girls promised to look after me. We ordered more drinks and I got pretty tipsy as the evening wore on. I wondered which one of them I'd sleep with and hoped it would be April as she seemed the most sympathetic. When we left at the end of the night though, all four of us shared a cab to Bobbi's place and I started to feel out of my depth.

We all collapsed on the couch when we got in and April and Liz immediately started necking and stripping out of their clothes. Bobbi kissed me on the mouth, so I kissed her back, cautiously tasting her tongue with mine. She slipped a hand between my legs and I jumped as I felt her fingers on the front of my panties. I suddenly wondered what the hell I was doing but kept telling myself to relax.

Bobbi rubbed my crotch with her palm and fingertips as she kissed me on the mouth, then she pulled my gusset to one side and touched my pussy. I let out an involuntary shudder as I felt her fingers probe my depths and had to draw my mouth away from hers as I was panting so hard.

Liz and April moved either side of me and grabbed a leg each. They stroked my inner thighs and all took turns fingering me. It was only at this moment that I realised I was going to have sex with all of them at once.

Bobbi stripped me out of the remainder of my clothing, then slid down between my legs and kissed me on the cunt. "This is so horny," Liz said. "Helping you lose your lezzie cherry like this." April and Bobbi agreed and I found myself telling them how turned on I was.

Bobbi slipped her tongue into my pussy and licked me all around inside. It felt so fantastic I almost came

in her mouth there and then. She flicked my clit with the tip of her tongue and explored my fuckhole until I was absolutely dripping. Bobbie really knew what she was doing too, nibbling at my clit and stuffing her fingers into me nice and slowly until I was on the verge of the orgasm of my life.

At that moment, Bobbi moved aside and let Liz have a go, and the two of them held my legs

“ She flicked my clit with the tip of her tongue and explored my fuckhole until I was absolutely dripping.”

privates but at the same time I developed a taste for it really quickly. I sucked on her lips and tried to emulate on April what Liz and Bobbi were doing to my cunt and all too soon I was coming again.

The girls all took turns to sit on my face and sixty-nine with me and I licked them all until I was too worn out to keep my eyes open. I slept there that night, and when I got up the next day, April and I fucked each other while the other two watched.

Ironically, the play was cancelled before the first rehearsal so I never got a chance to show off my prowess as a lesbian. Well, except to April, Liz and Bobbi. – *Virginia, Windsor*

FINGER-LICKING GOOD

My husband and I have a great sex life. Both of us are open-minded and dirty as hell. One of the things Greg always loves to see me do is suck on his fingers after he's fingered me. This turns him on like anything. I don't know exactly why, but he says it's because he likes to see me taste my own cunt. Anyway, this became such a sexy part of our ritual that I even started doing it (and enjoying it) when I masturbated by myself. In fact, it got me going so much that I couldn't even touch my pussy without wanting to lick my fingers afterwards.

Inevitably, I started to fantasise about sticking them in other women and this fantasy got me so hot when I first had it that I came all over my hand. Pretty soon I was imagining licking another girl's cunt directly and this became my regular masturbation fantasy.

I confessed this to Greg and it really turned him on – though I never suspected in a million years he'd actually do something about it. Then, a few weeks ago, Greg came home from work with a colleague named Marge. I figured they'd come back to knock heads on a project they were developing together, but this wasn't the case. "She's here for you, darling," Greg confessed after a few drinks.

"For me?"

"You know that fantasy of yours? Well, Marge is willing to help you out," he said, winking.

back and took turns to lick me all around my holes. At one point, both girls licked me simultaneously, Liz on my pussy and Bobbi on my bumhole, and I just let go and came.

April laid me back on the sofa and looped a

leg over my face so that I was staring directly up at her cunt. I knew what was expected of me and stuck my tongue out as she lowered her steamy wet sex onto my mouth. It felt so strange and unnatural licking another girl's

“I dipped my mouth down to it and tentatively licked along her crack...”

I couldn't believe what I was hearing; Greg had propositioned some lesbian he worked with to come home with him and let his wife lick her pussy. It was all too incredible to be true, but here she was, large as life and only too willing to oblige. I didn't know where to hide my face at first, but the realisation slowly dawned on me that I could safely fulfil one of my most erotic fantasies – and all with the blessing of my husband, the dirty bastard.

I played for time as I mulled it over in my mind, but I knew I might never get another chance like this – and my pussy was wet just at the thought. “Let's do it,” I said and we all went into the bedroom. Greg said he was there strictly as an observer, and Marge stripped out of her clothes and lay on the bed. The first moment I glimpsed her pussy, my heart leaped into my throat. It felt so weird looking at another woman's sex in this way and it felt stranger and stranger the closer I got until I had my head in between her legs, just inches from her hole.

Her aroma made me so horny I felt positively giddy. I touched her pussy lips with my fingers and traced the outline of her cunt, from clitoris to arse, then I pushed my fingers inside. Marge gave a gentle moan as I did that, and pressed back against my fingers so that her pussy engulfed them completely. She was slick inside, though it only took a little pumping before juices were freely flowing all over my knuckles. I pulled my sticky fingers out and sucked on them. They tasted divine. Now I had

to try it for myself.

I pushed her legs back and watched her pussy splay apart. I dipped my mouth down to it and tentatively licked along her crack with the very tip of my tongue. My mind was going in all directions as I tongued her fleshy lips and I felt my own pussy start to throb. I sunk my tongue in deeper, then closed my mouth down around her hole and used my whole mouth to pleasure her. I instantly fell in love with cunnilingus and began rasping at her slot with the flat of my tongue.

Marge writhed on my face and drew me into her sopping sex with her legs. I stroked her neatly-trimmed pubes with one hand and clawed at her buttocks with the other as I completely lost myself in her fuckhole.

As I ate her out, I felt Greg push my legs apart and slip his very welcome cock into my cunt. He fucked me urgently as I lapped at Marge's clit and very quickly made me come. The whole of my body trembled as my orgasm shot through me and I set about Marge's bits with renewed vigour, frantic to taste her cream.

Marge let out a wail and burst all over my mouth. I lapped up what I could and let the rest trickle down over her arsehole. When Greg told me he was going to come too, I told him to come all over my bum. Marge had other ideas though. “Come in my mouth,” she told him. “I want to see what it tastes like.”

I gave him the okay, so Greg straddled her face and blew his load in her mouth.

Marge explained later that she'd never tasted spunk up until that point, but she seemed to enjoy the experience, draining him off into her mouth with both hands and swallowing the lot.

I don't think I could ever turn totally lesbian as I like cocks, but I could definitely get used to threesomes like that. – *Abigail, Battersea.*

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

CUBICLE CAPERS

I'm writing to tell you about my first experience of anal sex, which also saw me living out one of my best ever 'sex with a stranger' fantasies. It all happened a couple of weeks ago at my local, which was packed as usual on a Friday night. I was halfway through a conversation with my best mate about buying a 40-year-old VW bus he'd seen advertised when this girl walked in. She was a stunner, aged about 25, pretty and blessed with the kind of figure that wouldn't look out of place in Club. She was dressed in a short denim skirt which revealed beautifully shapely and smooth legs and a tight pink T-shirt which clung sexily to a generously-sized pair of tits. Her hair was long and brunette and she looked a bit of a raver, way too cool to look in my direction. Or so I thought!

I caught her eye as she ordered her drinks – and she smiled right at me. I was a bit taken aback, but managed a smile and she gave me a naughty wink as she turned to leave the bar. I watched her arse wiggle away sexily. It was round, firm-looking and about the size of J-Lo's. I thought to myself 'Chris! If only...' She sat down opposite another girl and when she noticed me watching her she winked again.

About half an hour later I felt the need to train the weasel, so headed for the loo. Just as I opened the door I felt a tap on the shoulder and turned to see the very same

girl smiling broadly at me.

"Do they sell condoms in there?" she asked. "The girls' room doesn't have any." 'Um, I'll check,' I said, slightly taken aback. I went in and to my surprise the little minx followed me and started

“She then slid a tender finger into her tight arsehole, quickly followed by another.”

studying the johnny machine. "Banana flavour, strawberry flavour or beer flavour," she read. "Mmm, beer flavour sounds nice." She put her money in and took her condom. Luckily the toilets were empty. "I've never sucked a beer-flavoured cock before," she grinned. Just hearing her say 'cock' in that smooth voice made my balls boil. "Shall we?" 'Umm, shall we? Umm...' I wasn't quite sure what she meant until she pushed me into the cubicle behind and locked the door behind her. 'Okay,' I said, deducing that this might just turn out to be a good idea. My cock strained to be released from my trousers. Here was the most beautiful girl I'd seen in a long time and she was blatantly offering herself to me. And she hadn't even told me her name yet!

Inside the cubicle she dropped to her knees in front of me, kissed my dick through my trousers, then slowly started to unzip me. She let my trousers fall to the floor and then pulled my boxers down, finally releasing my straining member. She stroked it gently, said "very nice" and smiled at me. Then she showed me a trick. She opened her condom, placed it gently between her lips and slid it straight onto my cock. It was amazing and I'd never seen anything like it before. She licked my entire length softly, then moved up and

down for ages. She really did look like she was enjoying that beer flavour and the feeling wasn't too bad for me either. I have to admit that I would have preferred it if she'd deep-throated me without a condom on, but I was hardly about to complain at the treatment being doled out by this total stranger, was I? She worked on my dick like a true professional, bobbing up and down on it, taking the full length and teasing the tip with her expert tongue, then letting almost my entire cock out of her mouth, before gobbling me up hungrily once more.

She stood up to kiss me and I took the chance to get to grips with her arse. I caressed it through her skirt and it was every bit as firm as it looked. I slid my hand up the skirt and realised that she wasn't wearing any knickers, more proof of exactly how slutty she was – as if I needed any more! The flesh of her arse was warm and soft. I could have felt it all night long and actually would have done if she hadn't pulled away.

"So, you like my arse, do you?" she asked. I nodded. "Okay, then," she continued as she pushed me back onto the toilet and turned around to give me a better view. It really was gorgeous, round as a peach and just as good to eat by the look of it. She moved it sexily for me and even gave it a quick shake before bending over to expose her glistening cunt. She touched it, then smeared the juices up

the crack of her arse. She then slid a tender finger into her tight arsehole, quickly followed by another. It was an absolutely incredible sight.

The little whore then began to lower her shapely arse onto my dick. My bell end touched her puckered hole and she let out a soft moan. We were both well-lubricated, her from touching herself and me from her BJ, so I slid in with relative ease, even though her arsehole was still nice and tight. Her arse gripped my dick like a pussy never had and as she slowly started to pump it felt as good as ever it did in my fantasies. I completely forgot where we were and let out a groan. Her pumping was slow and controlled and

she moved her arse around in little circles, as well as up and down, giving me a real visual treat. She pulled her bum back up until my cock was virtually out, then slid it back down my pole again until I was entirely inside her each time. Her moans got louder and she'd obviously forgotten that there could be people outside. Or maybe she just didn't care. To be honest I'd stopped caring too and couldn't help moaning and groaning because of the fantastic feelings I was getting from fucking this gorgeous slut up the arse in a public toilet!

I felt my balls tighten and was sure I was about to come. To be honest I was

surprised I'd lasted so long. I breathed 'I'm about to come' and she increased the speed and firmness of her arse fucking tenfold. Anybody who was standing outside must have heard her arse smacking down hard on my groin.

"I'm coming too," she cried. "Oh fuck, oh fuck, oh fuck, I'm coming." And with one final bang down on my cock we both came together in a fantastic double orgasm. Her juices gushed out of her pussy and poured down over my balls as I pumped hot, thick come up her arsehole. It's hard to describe just how amazing the whole experience made me feel. My head was spinning, my breath was coming in short pants and my cock felt like it had been emptied of the entire contents of my balls. No sex I had ever had had felt like this. And by the (fairly) quiet and (very) satisfied moaning that was coming from the girl whose name I still didn't know, it looked like she felt exactly the same.

When she'd taken a minute to compose herself she pulled herself off me, quickly rearranged her skirt and left without saying another word. I took a little time to regain my senses myself, then got myself together before going back into the bar. It came as no surprise to me that she had already left with her mate – and my pal had gone too, presumably thinking I'd already headed off myself since I'd been gone so long.

Of course I haven't seen the girl at all in the two weeks since this amazing event happened. But from now on I intend being in my local every spare minute I get, just in case that gorgeous slut ever comes in again. The trouble is, something tells me I'll never see her again, which is a shame. She really seemed like good girlfriend material to me, don't you think? The kind of lass you could take home to mother!

We managed to meet the oh so saucy Brookie for a couple of thirst quenchers. As is often the case where alcohol is concerned, talk quickly turned to naughtiness and Brookie was more than happy to reveal that she is a great fan of bum sex.

"There's something so fulfilling about having a nice fat cock sliding in and out of your arse," were her precise words. "After just a few deep shafts I only have to touch my clit, and I come so hard it hurts. It's a totally different kind of orgasm from a normal vaginal one. It satisfies a different need in me, I suppose. Of course, you can't do it all the time. When I was with my ex, we used to have 'Sunday Bumday.' Every Sunday morning I'd lube myself up, kneel on the edge of the sofa and he'd guide his throbbing cock right up my bum. It definitely beats going to church!"

What our well-placed moles are telling us this month...

DOWN THE WIRE

Poollocks

Texas State Troopers didn't need their canine friends to help them sniff this one out. 40-year-old Kenneth James Vanlue stands accused of breaking and entering the premises of the Department of Public Safety Driver License Office in Austin, Texas.

Troopers responded to a call out at around 7:30am on the 3rd of April, to find that the front door to the department office had been broken down and the word 'surcharge' had been drawn on the wall using faecal

matter, as well as causing a further \$9,000 worth of damage to vehicles in the parking lot and the destruction of computers and office equipment. At least we know what he will be decorating his cell with!

We're hoping they've missed the 'h' off!

TRAIL OF TEARS!

This guy clearly wasn't looking after his piggy bank properly as he left a trail of coins leading right to his own front door. Michael Sherman, 25, of Vero Beach, Florida, was arrested by the Indian River County Sheriff's Office after investigators noticed coins similar to those reported stolen,

leading them straight to Sherman's home. A thorough search of the property, also led to the discovery of firearms and a computer belonging to the victim. Subsequently Sherman was charged with armed burglary due to the firearms. Divvy.

I didn't have any bread Gov!

Could this be the way to the Emerald City?

POW!

There wasn't a film crew in sight as a foot soldier for the Galactic Empire got well and truly lamped (shame), but please, don't upset a Ghostbuster – they're the good geeky guys!

31 year-old, Maine man, was tasered by police outside Coast City

Comics' Free Comic Book Day celebrations after allegedly assaulting two costumed participants. According to Cumberland County Sheriff's Office, Barnes punched a Stormtrooper and attempted a chokehold while yelling obscenities at fellow revellers, as well as throwing a Ghostbuster to the ground. There, there, we're sure there are enough comic books to go round.

It was the ectoplasm!
